

» **CHESS BOOKMARKS**

Tracing guide for the word "LOOK". The letters are arranged vertically: L, O, O, K. Each letter has numbered arrows indicating the correct stroke order for writing. A cartoon character with large eyes and a red mouth is positioned to the right of the letters, appearing to be speaking. A speech bubble containing a heart is located below the character. A dashed line outlines the entire section, and a small circle is in the top right corner.

Tracing guide for the word "BIOSHOP". The letters are arranged vertically: B, I, S, H, O, P. Each letter has numbered arrows indicating the correct stroke order for writing. A cartoon character of a smiling beaker on a stand is positioned at the top of the section. A dashed line outlines the entire section, and a small circle is in the top right corner.
